Unit Titles for Different Awarding Bodies

Unit No.	Edexcel Title	AQA/CGLI Title	OCR Title
1	Investigating Engineering Business and the Environment	Engineering Businesses and the Environment	
2	Applications of Computer Aided Designing		
3	Selection and Application of Engineering Materials		
4	Instrumentation and Control Engineering		
5	Maintaining Engineering Plant, Equipment and Systems	Maintaining Engineering Systems and Products	Maintaining Engineering Systems
6	Investigating Modern Manufacturing Techniques used in Engineering	Production and Manufacturing	
7	Innovative Design and Enterprise		
8	Mathematical Techniques and Applications for Engineers		
9	Principles and Application of Engineering Science	Scientific Principles and Applications for Engineers	

Edexcel unit numbers are ENG301 ... ENG309

AQA/CGLI unit numbers are ENG3U1 ... ENG3U9

OCR unit numbers are F556, F557... FF564

Externally Assessed Units

Each Awarding Body assesses two of the 9 units externally.

Edexcel	AQA/CGLI	OCR
1. Investigating Engineering Business and the Environment	8. Mathematical Techniques and Applications for Engineers	4. Instrumentation and Control Engineering
8. Mathematical Techniques and Applications for Engineers	9. Scientific Principles and Applications for Engineers (67% external & 33% internal)	8. Mathematical Techniques and Applications for Engineers
